How to Quickly Add Video and Audio to Your Kindle Books to Create Kindle Interactive Editions

Module 1 – Introduction

Did you know that Amazon released software that made it possible to add video and audio to your Kindle books to make them MUCH more interactive, engaging and fun to read? It's true! And with this document you hold the exact step-by-step process of how to create "Kindle Interactive Editions". This training is set up in modular video tutorials. To access the video simply click on the links below. Each link will pop a new video to watch. Follow the modules in order and before you know it you'll be publishing Kindle Interactive Editions. Important: You must be online to watch.

Click Here To Start → http://screencast.com/t/loEixhJDJqhX
(Video player will open in a separate window. You must be online to watch)

Module 2 - Opening KTC
