# Speak Your Book Real Fast

## Introduction

This short training will provide you with the fastest method I know to produce a book or article. It details precisely how to use presentation software to speak your book into existence and produce a clean and easily editable manuscript. There are four modules to this short course starting with this introduction. Just watch the videos and follow-along and before you know it you'll have a clean and well written manuscript ready to be published.

Note: Click the links below to watch the modules. You must be online to watch. Now let's get started...
